

PENN STATE FIGURE SKATING CLUB

ANNOUNCEMENT OF SENIOR ICE WINTER SESSIONS

December 21, 2009

The Senior ice skating sessions for Winter 2010 will begin on Monday, January 4, and run through April 5 with the exception of March 8 (Spring Break). The sessions are scheduled from 8:15 to 9:00 p.m. directly following the adult lesson program offered by the Rink, making the Club sessions perfect for practice with a limited number of skaters on the ice. Private lessons may be scheduled with the instructor of your choice during these sessions. Because this is an adult session, participation is limited to skaters 18 years and older and jumps of 1 1/2 rotations; exceptions, if any, are at the discretion of the Club Directors.

U. S. Figure Skating rules require PSFSC to provide ice for the exclusive use of its members. In order to skate on PSFSC ice, you must have current USFS membership, either Individual or through a sanctioned Club. The 2009-10 annual combined PSFSC/USFS memberships are \$65.00 for the first family member and \$40.00 for each additional family member. Membership forms are available in the Rink information rack and at the PSFSC website. Checks are payable to PSFSC and should be mailed with the completed forms to the Membership Chair. This payment does not include ice time.

The subscription price for the thirteen-week Monday night adult season has been set at \$130.00. For our skaters' convenience we offer the following payment options:

- 1. Full payment of the subscription price at season start. If you have before-hand knowledge of sessions that you will be unable to attend, you may deduct the \$10.00 single session price from the subscription payment.**
- 2. Half-season payments. The first half payment of \$65.00 will be due at season start; the second half payment due March 1.**

We hope to see you on the ice. For further information:
